## LADIES AID SOCIETY.

Constitution Adopted—Health Protection  
For the New Soldier Boys.  
The Ladies Aid society met Saturday afternoon at the Firemen's hall, Mrs. George H. Cross, 1st vice president, presided. There was a large attendance of members.

The executive committee reported on the constitution and the following was read:

Article 1.—Name.—This organization shall be called, The Ladies Aid Society of New Mexico.

Article 2.—Membership.—All loyal women and children may become members on registration and payment of registration fee. Men may become either associate or honorary members.

Article 3.—Objects.—Sec. 1.—To instill a love of country; to foster unswerving loyalty, allegiance and a sacred regard for the honor of our nation and flag. Sec. 2.—To encourage our New Mexico soldiers in the United States army, in their sacrifices for the cause of humanity and the extension of liberty. Sec. 3.—To use our best efforts for their comfort and necessities during the war.

Article 4.—Officers.—The officers of this society shall be a president, two vice presidents, corresponding secretary, treasurer, with an executive or advisory board of five members.

Article 5.—Finance.—The registration fee shall be twenty-five (25) cents for adults, ten (10) cents for children under 16 years of age, twenty-five (25) cents for associate members, and five (\$5.00) for honorary members. Membership fees payable yearly.

Article 6.—Amendments.—Amendments to the constitution may be made at any regular meeting, provided they have been first referred to the executive committee and have been submitted by them at a previous meeting.

Article 7.—By-Laws.—Officers shall be elected by ballot every three months. Article 8.—Meetings shall be held at the discretion of or upon the call of the president, or the request of five members.

On motion the constitution was adopted.

A committee was appointed consisting of Mesdames Woodruff and Fugate to purchase flannel for 100 abdominal protectors which were to be cut out and taken to the homes of various members for manufacture, after which they will be presented to the new volunteer company soon to be mustered in at this place.

No further business being called up, the society adjourned until Monday afternoon at 3 o'clock.

## MINOR CITY TOPICS.

Regular meeting of the city council tonight, at which new police appointments will be made.

A first-class butcher shop is greatly needed in this city. This seems to be the consensus of public opinion.

U. S. weather bureau forecast for New Mexico: Fair tonight and Tuesday; warmer in north portion tonight.

Subscriptions to the new issue of government bonds will be received at the postoffice and First National bank.

Miss Antonia Trujillo and Jose Rodriguez were married this morning at 6 o'clock at the Guadalupe church.

The infant son of Mr. and Mrs. Carlos Dominguez, who reside on Alto street died Saturday and was buried yesterday.

John N. White, of Denver, arrived in the city yesterday and placed his name on the Palace register. He will work in A. McKenzie's plumbing department.

The board of education will hold a special meeting at its office this evening. Every member is urgently requested to be present as business of importance will be transacted.

All sorts of justice of the peace blanks, deeds, options, power of attorney and legal blanks for sale in quantities, great or small, at the New Mexican Printing company's office.

The Woman's Aid society of the Presbyterian church will serve strawberry, ice cream and cake after 3 o'clock Tuesday afternoon in the lower rooms of the Catron building, formerly occupied by Hickox's jewelry store.

John V. Conway has resigned his position at the postoffice and has taken his old place at the Bon Ton restaurant. Frank Andrews will remain as delivery clerk, having been appointed in place of Mr. Conway.

There is a surprising demand for vacant rooms and houses, and property owners should see to it that buildings and premises are repaired. The demand greatly exceeds the places fit to live in, especially in desirable localities.

The law requires that every county and territorial official provide himself with a copy of the new Compiled Laws of the territory within 60 days from the date of their taking effect. The compilation went into effect on April 23 last.

For the celebration of the 300 anniversary of the settlement of New Mexico at Chantla, 35 miles north of this city on the Denver & Rio Grande railroad, both the Atchison, Topeka & Santa Fe railway and the Denver & Rio Grande have made a one fare rate. The celebration takes place July 13. This is a splendid chance for territorial people to visit this city at a reduced rate.

H. L. Ormerod yesterday instituted proceedings against F. G. Erb for the recovery of notes paid for one-half interest in the Arcade saloon, which Ormerod claims should be annulled by reason of his withdrawal from the firm. Mr. Erb was held in Albuquerque on a copias writ last night and a surrender of the notes demanded.

Transcript, record and brief work for attorneys at the New Mexican printing office for the approaching session of the Territorial Supreme court, printed at the lowest possible figures and in the neatest, best and most acceptable style. Patronize the New Mexican Printing Co., and you will get first-class work, besides supporting an institution that is at work daily for this city, this county and the entire territory of New Mexico.

For the convenience of friends who may be unavoidably delayed, tickets will be sold at the door of the court house for the play of Pygmalion and Gulliver this evening, so long as there is fair standing room. As embodied in Gulliver's pupils, this is a part of their commencement exercises, which will be continued in the large school room at the Clancy house on Palace avenue, on Wednesday morning at 10 o'clock.

The Ladies Aid society desires to call attention to the remarkably small membership fee of the association, as embodied in the recently adopted constitution, and to urge upon the public at large the commendableness of joining and furnishing the organization with the "sinews" for furthering their outlined plans. Men may become associated members by advancing 25 cents, and children under 16 years of age, 10 cents. The society has made a praiseworthy start by exhibiting due solicitude for the health of New Mexico's gallant volunteers, and their work should be furthered by the generous donations due them.

The Water & Improvement Co. offers to furnish 30 electric lights for the city streets at a monthly rental of \$100. This is a very reasonable rate and the city council should accept the proposition. It is of the greatest importance that the streets of the city should be well lighted as well as sprinkled and kept clean. The city council will deserve the thanks of all good citizens by acting promptly and increasing the number of lights as offered by the Water & Improvement Co.

During their able management of the Clancy hotel, the couple made a host of warm friends in this city who exceedingly regret their departure and wish them all manner of success and happiness in their new home.

Court of Private Land Claims.

The court was in session today examining papers, reviewing motions, and attending to miscellaneous matters, but took no action in any matter.

## LAS VEGAS NORMAL SCHOOL.

Six Thousand Dollars Raised For Its Completion by Banks and Citizens.

On Friday evening last, in Las Vegas, a citizens' meeting was held for the purpose of raising funds for the completion of the Territorial Normal school located there. Hon. Frank Springer, president of the board of regents, made a statement of the objects of the meeting and added that it would be necessary to raise from \$8,000 to \$10,000 in order to open the institution this fall. Eight thousand dollars would place the building in condition to open school this year, but would leave about half the building and grounds in an unfinished condition. The following amounts were then subscribed: San Miguel National bank, \$2,000; First National bank, \$3,000; Las Vegas Light & Fuel company, \$1,000; Gross, Blackwell & Co., \$500; Browne & Manzaneros company, \$500. A committee consisting of Frank Springer, A. M. Blackwell, Chas. Tibbitts, C. F. Hedgecock, J. W. Zollers and M. W. Browne, was appointed to solicit funds from the business men of the city.

## De Vargas Day.

Yesterday afternoon occurred the 26th annual processional celebration in fulfillment of the vow of De Vargas, made at the present site of the chapel of San Rosario, where, after two days' defeat in attempting to recapture the city of Santa Fe from the Indians, on June 19, 1692, he had high mass celebrated, and vowed that in case his soldiers were victorious in the battle on the following day, he would cause a chapel to be erected on that spot, and that the statue of the Virgin, which he had with him, should be carried in solemn procession from thence to Santa Fe each year so long as time should last. This vow has been religiously observed from that day to this in this city, although not in the church calendar, and the statue of the Virgin, who is known as "Our Lady of Victory," seen in the procession on Sunday, is the identical one brought by De Vargas on his eventful march.
